Subject: Libby asbestos: Disciplinary Workgroup reviews

Attachments: EPA-SAB-13-001-unsigned.docx; Libby Noncancer Exposure-Response (Nov 13 2013).docx; Libby Noncancer Exposure-Response Charge (Nov 13 2013).docx

Importance: High

Hello Disciplinary Co-Chairs – Attached for review by the Epidemiology and Statistics Workgroups is the revised noncancer exposure-response section of the Libby asbestos assessment.

This is one of IRIS's high-priority assessments, so we would like you to begin this review as your highest priority, completing it by Thanksgiving if possible. The Libby team would then like to schedule follow-up discussions with you during the week after Thanksgiving. If there are any problems with this schedule, please contact Tom Bateson, the assessment manager.

Attached also you will find the charge to the Workgroups and the SAB report (see section 5). Tom will soon send you directly two appendices (E and F) that are pertinent to the review.

I thank you all for the efforts you are making to meet the schedules in the new IRIS.

-- Vince
